Dear Sirs

PROPOSED ACQUISITION OF THE COMPANY

I understand that Bidco proposes to acquire (the "**Acquisition**") all the issued and to be issued ordinary shares of 20 pence each in the Company (the "**Shares**") for the consideration (as defined below), and otherwise substantially on the terms and subject to the conditions (other than in respect of the conditions except insofar as may be necessary to reflect the implementation of the Acquisition by way of a contractual takeover offer), set out in the draft press announcement attached to this letter (the "**Announcement**"), subject to such amendments or additions to such terms and conditions as may be required by the City Code on Takeovers and Mergers (the "**Code**"), the Panel on Takeovers and Mergers (the "**Panel**"), the High Court of Justice, Business and Property Courts of England and Wales, Companies Court (the "**Court**"), or any applicable law or regulation. I also understand that the Acquisition is expected to be implemented by way of a scheme of arrangement under Part 26 of the Companies Act 2006 (the "**Act**").

In this letter, the "**Scheme**" means the proposed scheme of arrangement of the Company to implement the Acquisition as described above and includes any new, revised, improved or increased scheme of arrangement for the acquisition of the Company by Bidco (or by one of its subsidiaries). Certain other terms used in this letter are defined in paragraph 9.8

In consideration (subject to paragraph 8.2) of Bidco agreeing to make the Acquisition on terms that entitles each of the Company's shareholders to receive not less than 1,850 pence in cash for each Share held (the "**Consideration**"), I undertake, confirm, warrant and agree to and with Bidco on the terms set out in this letter, which is entered into as a deed. This undertaking is given by me in my capacity as a holder of ordinary shares. Nothing in this letter is, or is intended to be, now or at any other time, an arrangement between myself and Bidco which is contrary to Rule 21.2 of the Code. I agree that if the Panel determines that any provision of this letter that requires myself or the Company to take or not to take action, whether as a direct obligation or as a condition to any other person's obligation (however expressed), is not permitted by Rule 21.2 of the Code, that provision shall have no effect and shall be disregarded.

1. WARRANTIES

1.1 I warrant to you that:

- e) I am not acting in concert with any other person, as defined in the Code (disregarding for this purpose any person I may be deemed to be acting in concert with because they are giving an irrevocable undertaking to Bidco); and
- f) I have full power and authority to enter into this letter and to perform my obligations contained in this paragraph 1.1.

1.2 In this letter, the term "**Committed Shares**" includes any further shares in the capital of the Company of which (notwithstanding paragraph 3) I may become the registered holder or beneficial owner of, or in respect of which I may otherwise become entitled to exercise all rights and interests, after the date of this letter, whether or not deriving from or attributable to the Committed Shares specified in the Schedule.

 - g) I shall from time to time promptly complete, execute and deliver such documents and do all such other things as may be necessary to give full effect to each of my undertakings, agreements, warranties, appointments and consents as set out in this letter.

RECOMMENDED CASH OFFER

for

RockRose Energy plc ("RockRose")

by

**Viaro Energy Limited ("Viaro Energy"), a wholly-owned subsidiary of
Viaro Investment Limited ("Viaro")**

to be effected by means of a Scheme of Arrangement
under Part 26 of the Companies Act 2006

Summary

- The boards of directors of Viaro Energy and RockRose are pleased to announce that they have reached agreement on the terms of a recommended all cash offer pursuant to which Viaro Energy will acquire the entire issued and to be issued ordinary share capital of RockRose (the "**Acquisition**").
- Viaro Energy is a UK registered company, headquartered in London and is a wholly owned subsidiary of Viaro, a physical energy trading group with global commodities trading activities and interests in energy sector support services and upstream asset development. The Viaro Group has offices in Dubai and Hong Kong.
- Under the terms of the Acquisition, each RockRose Shareholder will be entitled to receive:

in respect of each RockRose Share 1,850 pence in cash (the "Consideration")
- The Consideration represents:
 - a premium of 64 per cent. to the Closing Price of 1,130 pence per RockRose Share on 3 July 2020 (being the last Business Day prior to the date of this Announcement);
 - a premium of 91 per cent. to the volume weighted average Closing Price of 970 pence per RockRose Share for the three-month period ending on 3 July 2020 (being the last Business Day prior to the date of this Announcement);

- a premium of 69 per cent. to the volume weighted average Closing Price of 1,098 pence per RockRose Share for the six-month period ending on 3 July 2020 (being the last Business Day prior to the date of this Announcement); and
 - a value of £247,575,824.50 for RockRose's issued and to be issued ordinary share capital.
- It is intended that the Acquisition will be effected by means of a Court-sanctioned scheme of arrangement of RockRose pursuant to Part 26 of the Companies Act 2006, further details of which are contained in the full text of this Announcement and which will be set out in the Scheme Document to be dispatched to RockRose Shareholders in due course. However, Viaro Energy reserves the right to implement the Acquisition by way of a Takeover Offer (with the consent of the Panel and RockRose).
 - The RockRose Directors, who have been so advised by Lambert Energy as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing their financial advice to the RockRose Directors, Lambert Energy has taken into account the commercial assessments of the RockRose Directors.
 - Accordingly, the RockRose Directors intend to recommend unanimously that RockRose Shareholders:
 - vote (or procure votes) in favour of the Scheme at the Court Meeting and the RockRose Resolutions at the General Meeting; or
 - in the event that the Acquisition is implemented by way of a Takeover Offer, accept (or procure acceptances of) the Takeover Offer,

as the RockRose Directors and Senior Managers have irrevocably undertaken to do in respect of their own beneficial holdings of 4,387,269 RockRose Shares, in total representing approximately 33.3 per cent. of the issued ordinary share capital of RockRose as at the Latest Practicable Date, and in respect of any RockRose Shares they may receive pursuant to the exercise of options before the Court Meeting and General Meeting.

- In addition to the irrevocable undertakings given by the RockRose Directors and Senior Manager referred to above, Viaro Energy has received irrevocable undertakings from five other RockRose Shareholders to vote (or to procure the voting) in favour of the Scheme at the Court Meeting and the RockRose Resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer) in respect of a total of 263,844 RockRose Shares, representing, in aggregate, approximately 2.0 per cent. of the issued ordinary share capital of RockRose as at the Latest Practicable Date.

Therefore, as at the date of this Announcement, Viaro Energy has received irrevocable undertakings in respect of a total of 4,651,113 RockRose Shares representing approximately 35.3 per cent. of the issued ordinary share capital of RockRose as at the Latest Practicable Date.

Further details of the irrevocable undertakings are set out in paragraph 16 of, and Appendix III to, this Announcement.

- If any dividend and/or other form of capital return or distribution is authorised, declared, made or paid by RockRose in respect of RockRose Shares on or after the date of this Announcement and prior to the Effective Date, Viaro Energy reserves the right to reduce the Consideration payable in respect of each RockRose Share held by the gross amount of all or part of any such dividend and/or other form of capital return or distribution (and RockRose Shareholders shall be entitled to receive and retain that dividend or other distributions). If any such reduction takes place, any reference in this Announcement to the Consideration payable under the Scheme shall be deemed to be a reference to the Consideration as so reduced. Any reduction of the Consideration pursuant to this right shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme.
- The Acquisition will be subject to the Conditions and certain further terms set out in Appendix I to this Announcement.
- The Scheme Document will include further details of the Scheme, together with notices of the Court Meeting and the General Meeting and the expected timetable, and will specify the action to be taken by RockRose Shareholders. The Scheme Document will be sent to RockRose Shareholders as soon as reasonably practicable, and in any event (save with the consent of the Panel), within 28 days of the date of this Announcement. The Scheme is expected to become Effective in August 2020, subject to the satisfaction or (where applicable) waiver of the Conditions.
- The Scheme will be governed by English law and will be subject to the jurisdiction of the courts of England. The Scheme will be subject to the applicable requirements of the Code, the Panel, the rules of the London Stock Exchange, the Listing Rules and the UKLA.

Commenting on the Acquisition, Andrew Austin, Executive Chairman of RockRose, said:

"After careful reflection, the Board of RockRose has concluded that accepting this offer is firmly in the best interests of our shareholders. It has been an exciting journey since RockRose was founded five years ago. However, for the benefit of all stakeholders, now is the time to move on and allow RockRose to continue to flourish with new backers."

Commenting on the Acquisition, Francesco Mazzagatti, CEO of Viaro Energy, said:

"I am very pleased that the Board of RockRose has recommended our offer for RockRose. We have ambitious growth plans in the UKCS and we believe that RockRose's producing assets, its staff, its commitment to health and safety, the environment and best in class operational procedures, will be an ideal platform from which to grow our presence in the UKCS. I'm extremely pleased that RockRose's senior management team has agreed to join us as they share our vision for future growth."

Commenting on the Acquisition, Dr. Roger Tucker, Non-executive Chairman of Viaro Energy, said:

"I'm also extremely pleased that our cash offer for RockRose has been recommended by the Board. In my long career in the industry I have had the pleasure of working with numerous companies and RockRose's people, assets and working practice are among the best I've seen. I'm delighted that RockRose's senior management will be joining us for the journey ahead. Personally, I'm also pleased to be returning to the UKCS, an area I know very well, to work alongside this first-class team to deliver our growth plans in the region."

The Acquisition will be subject to English law and to the applicable requirements of the Code, the Panel, the rules of the London Stock Exchange, the Listing Rules and the UKLA.

The Acquisition will be implemented solely pursuant to the terms of the Scheme Document (or, in the event that the Acquisition is to be implemented by means of a Takeover Offer, the 'Offer Document'), which will contain the full terms and conditions of the Acquisition, including details of how to vote in respect of the Acquisition. Any decision in respect of the Scheme or other response in relation to the Acquisition by RockRose Shareholders should be made only on the basis of the information contained in the Scheme Document. Additional information for US investors

The Acquisition relates to the shares of a UK company and is being made by means of a scheme of arrangement provided for under the Companies Act. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. The Acquisition and the Scheme is subject to the disclosure requirements and practices applicable to UK schemes of arrangement, which differ from the disclosure requirements of US Exchange Act tender offer and proxy solicitation rules and the US Securities Act. If, in the future, Viaro Energy exercises the right to implement the Acquisition by way of a Takeover Offer (with the consent of the Panel and RockRose) and determines to extend the offer into the United States, the Acquisition will be made in compliance with applicable US federal laws and regulations, including any applicable exemptions under the US Exchange Act.

Financial information included in this Announcement and the Scheme Document has been or will have been prepared in accordance with accounting standards applicable in the UK that may not be comparable to the accounting standards applicable to the financial statements of US companies preparing financial statements in accordance with US GAAP.

The receipt of cash consideration by a US holder for the transfer of its RockRose Shares pursuant to the Scheme will likely be a taxable transaction for United States federal income tax purposes and under applicable United States state and local, as well as foreign and other tax laws. Each such RockRose Shareholder is urged to consult his independent professional adviser immediately

regarding the tax consequences of the Acquisition applicable to him, including under applicable United States state and local, as well as foreign and other tax laws.

No registration statement will be filed with the SEC or any US state securities commission in connection with the Acquisition. Neither the SEC nor any US state securities commission has recommended, or approved or disapproved of, the Acquisition, or passed upon the adequacy or accuracy of this Announcement. Any representation to the contrary is a criminal offence in the U.S. It may be difficult or impossible for a US holder of RockRose Shares to enforce their rights and claims, if any, arising out of the US federal securities laws, since Viaro Energy and RockRose and some or all their officers and directors may be located in countries outside of the United States and a US holder of RockRose Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Furthermore, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

RECOMMENDED CASH OFFER

for

RockRose Energy plc ("RockRose")

by

Viaro Energy Limited ("Viaro Energy"), a wholly-owned subsidiary of

Viaro Investment Limited ("Viaro")

to be effected by means of a Scheme of Arrangement

under Part 26 of the Companies Act 2006

1. Introduction

The boards of directors of Viaro Energy and RockRose are pleased to announce that they have reached agreement on the terms of a recommended all cash offer pursuant to which Viaro Energy will acquire the entire issued and to be issued ordinary share capital of RockRose. It is intended that the Acquisition will be effected by means of a scheme of arrangement of RockRose to be made pursuant to Part 26 of the Companies Act 2006 (the "**Scheme**").

Viaro Energy is a UK registered company, headquartered in London and is a wholly owned subsidiary of Viaro, a physical energy trading group with global commodities trading activities and interests in energy sector support services and upstream asset development. The Viaro Group has offices in Dubai and Hong Kong.

2. The Acquisition

Under the terms of the Acquisition, which will be subject to the Conditions and further terms set out below and in Appendix I and the full terms and conditions to be set out in the Scheme Document, each RockRose Shareholder will be entitled to receive:

in respect of each RockRose Share 1,850 pence in cash (the "Consideration").

If any dividend and/or other form of capital return or distribution is announced, declared, made or paid by RockRose in respect of RockRose Shares on or after the date of this Announcement and prior to the Effective Date, Viaro Energy reserves the right to reduce the Consideration payable in respect of each RockRose Share by the gross amount of all

or part of any such dividend and/or other form of capital return or distribution (and RockRose Shareholders shall be entitled to receive and retain that dividend or other distributions). If any such reduction takes place, any reference in this Announcement to the Consideration payable under the Scheme shall be deemed to be a reference to the Consideration as so reduced.

The Consideration represents:

- a premium of 64 per cent. to the Closing Price of 1,130 pence per RockRose Share on 3 July 2020 (being the last Business Day prior to the date of this Announcement);
- a premium of 91 per cent. to the volume weighted average Closing Price of 970 pence per RockRose Share for the three-month period ending on 3 July 2020 (being the last Business Day prior to the date of this Announcement);
- a premium of 69 per cent. to the volume weighted average Closing Price of 1,098 pence per RockRose Share for the six-month period ending on 3 July 2020 (being the last Business Day prior to the date of this Announcement); and
- a value of £247,575,824.50 for RockRose's issued and to be issued ordinary share capital.

3. Background to and reasons for the Acquisition

Viaro Energy believes that RockRose combines a portfolio and management team well positioned for growth and safe and successful operations in the broader North Sea. Given the growth of RockRose since its first investments, Viaro Energy believes the Acquisition represents a compelling opportunity for Viaro Energy Group's growth strategy.

The acquisition of RockRose is in line with Viaro Energy's strategy of establishing and growing a leading mid-sized independent oil and gas producer with a long-term production target of 100,000 boepd and beyond. In addition to providing Viaro Energy with a business with assets of significant reserves, production and cash flow, the Acquisition enables Viaro Energy to maintain a management team that has a proven ability to make value accretive acquisitions and run safe and profitable operations. The portfolio offers assets across different jurisdictions and partners, bringing Viaro Energy a risk-balanced portfolio, with a strong management team which Viaro Energy believes can continue to manage its portfolio to the benefit of Viaro Energy and its stakeholders.

As this represents Viaro Energy's first acquisition in the UK North Sea, Viaro Energy's intention is to seek continuity through maintaining RockRose's existing business plan, which is to focus on increasing the decommissioning half-life of its assets and to look for opportunities to extend the life of key infrastructure, either through identifying additional development opportunities or third-party business, while maintaining operational delivery in a safe and responsible manner. Given the Wider Viaro Energy Group's extensive

knowledge in the commodities marketing and trading sectors, it expects to leverage its expertise to complement management.

4. **Financing of the Acquisition**

In connection with the financing of the Consideration payable to the RockRose Shareholders under the terms of the Acquisition, Viaro Energy, as borrower, has entered into (i) a £250,000,000 bridge term facility agreement with its parent company, Viaro, as guarantor and H.H. Shaikh Thiab Bin Khalifa Al Nahyan as original lender; and (ii) a £250,000,000 bridge term facility agreement with its parent company, Viaro, as guarantor and H.H. Sheikh Zayed bin Suroor bin Mohammed Al Nahyan as original lender (together, the “**Facility Agreements**” and each a “**Facility Agreement**”).

Each Facility Agreement provides for a short-term facility in a committed amount of up to £250,000,000 (with the aggregate committed facilities being £500,000,000) on customary 'certain funds' terms, which Viaro Energy may utilise to fund the Consideration payable by Viaro Energy pursuant to the terms of the Acquisition. Shortly after the Scheme becoming Effective and the re-registration of RockRose as a private limited company, Viaro Energy may use part of the RockRose Group's unrestricted cash balances to partially settle the Consideration due to RockRose Shareholders under the Scheme or to partially fund repayment of amounts utilised under the Facility Agreements, in all cases leaving an appropriate and sustainable level of working capital in the RockRose Group. In addition to financing all or part of the Consideration payable to the RockRose Shareholders, the proceeds of borrowing under each of the Facility Agreements may also be utilised to pay fees and expenses relating to the Acquisition. The loans under each Facility Agreement will be repayable shortly after the Effective Date.

Hannam, acting as financial adviser to Viaro Energy, is satisfied that sufficient resources are available to Viaro Energy to satisfy in full the Consideration payable to the RockRose Shareholders under the terms of the Acquisition.

5. **Recommendations**

The RockRose Directors, who are so advised by Lambert as to the financial terms of the Acquisition for the purposes of Rule 3 of the Code, consider the terms of the Acquisition to be fair and reasonable. In providing advice to the RockRose Directors, Lambert has taken into account the commercial assessments of the RockRose Directors.

The RockRose Directors intend to recommend unanimously that RockRose Shareholders vote in favour of the Scheme at the Court Meeting and in favour of the RockRose Resolutions at the General Meeting, as they have irrevocably undertaken to do in respect of their entire beneficial holdings of 4,105,858 RockRose Shares, in total representing approximately 31.2 per cent. of the issued ordinary share capital of RockRose as at the Latest Practicable Date, and in respect of any RockRose Shares they may receive pursuant to the exercise of share options before the Court Meeting and the General Meeting.

6. **Background to and reasons for the recommendation**

RockRose was formed to make acquisitions of companies or businesses in the upstream oil and gas and power sector. The substantial acquisitions completed to date, have been executed with minimal equity capital from public markets. The original strategy in becoming a public company was to have access to further equity capital on the public markets and to use listed shares as currency to make further acquisitions. Given the current share price of RockRose, the RockRose Directors are of the view that raising further equity capital would be unduly dilutive to value for RockRose Shareholders. The RockRose Board has therefore resolved that it is in the best interests of RockRose and the RockRose Shareholders to have the benefit of an exit opportunity.

The RockRose Board believes that RockRose has demonstrated a proven strategy to build a portfolio of operated and non-operated assets through a number of substantial corporate acquisitions, predominantly in the UK North Sea and Dutch Continental Shelf. Early acquisitions included the acquisitions of Egerton Energy Ventures Limited, Sojitz Energy Project Limited and Idemitsu Petroleum UK Limited in 2017, each holding non-operated North Sea licence interests. These initial acquisitions were followed by the acquisition of the Dyas group of companies from SHV Nederland B.V. in October 2018, giving access to assets on the Dutch Continental Shelf. This was followed in early 2019 by an agreement to acquire Marathon Oil U.K. LLC from Marathon Oil Holdings UK Limited and Marathon Oil West of Shetlands Limited from Marathon International Oil Holdings LLC, which completed in July of the same year, involved the addition of all of Marathon Oil Corporation's interests in the UK North Sea and increased RockRose's production to over 20,000 boepd and net 2P reserves to 63 MMboe. The production and cash flow provided by these deals has created a solid platform for further expansion of the portfolio.

Since re-admission of the RockRose Shares to listing on the Standard Segment of the Official List and to trading on the London Stock Exchange's Main Market for listed securities in July 2019, the RockRose Shares have traded at a discount or only a small premium to the value of RockRose's unrestricted cash balances (as explained further below) and the RockRose Directors do not believe that the potential of RockRose's assets is fairly represented in the current price per RockRose Share.

RockRose's last reported total cash balances amounted to US\$ 338.8 million as at 31 March 2020, of which US\$ 49.0 million was restricted cash balances, being an amount deposited to secure a letter of credit, under the terms of the defined benefit pension scheme. Accordingly, unrestricted cash balances at the same date amounted to US\$ 289.8 million, equivalent to approximately 1,789 pence per RockRose Share, compared to the Closing Price per RockRose Share on the London Stock Exchange's Main Market for listed securities as at 3 July 2020 of 1,130 pence. The recent oil price collapse and the impact of COVID-19 has seen RockRose's share price suffer a significant decline (although not perhaps as severe as certain members of its peer group), however the fundamentals of the business remain solid. RockRose was explicitly established to function in a low oil price environment of below US\$ 50 per barrel and has stated that its operating cost per barrel on an oil equivalent basis is below US\$ 30.

The RockRose Directors remain confident that RockRose has the ability to weather the current market conditions and emerge in a position to make further accretive acquisitions. However, in the opinion of the RockRose Directors, the market capitalisation of RockRose has consistently been unreflective of business performance and future opportunities and, hence, even if the acquisition strategy were to continue to be implemented, the RockRose Directors would be unlikely to access the equity markets for any required finance. Accordingly, the RockRose Board believes that, given the costs of remaining a public company, it would be in the best interests of RockRose and its stakeholders to be part of a private group where the strategy can be pursued by a single owner and for current RockRose Shareholders to have an attractive exit opportunity.

In considering the terms of the Acquisition, the RockRose Directors took into account a number of factors, including:

- the significant premium, in cash, of approximately 64 per cent. to the Closing Price of 1,130 pence per RockRose Share on 3 July 2020 (being the last Business Day before the date of this Announcement);
- a premium of 91 per cent. to the volume weighted average Closing Price of 970 pence per RockRose Share for the three-month period ending on 3 July 2020 (being the last Business Day prior to the date of this Announcement); and
- a premium of 69 per cent. to the volume weighted average Closing Price of 1,098 pence per RockRose Share for the six-month period ending on 3 July 2020 (being the last Business Day prior to the date of this Announcement).

The RockRose Directors have also taken into account Viaro Energy's intentions for the business, management, employees and locations of business of RockRose. The RockRose Directors note the great importance attached by Viaro Energy to the skills, knowledge and expertise of RockRose's management and employees. The RockRose Board also welcomes Viaro Energy's confirmation that it does not intend to undertake any material restructurings or changes in location of RockRose's UK headquarters, operations, places of business or redeployment of fixed assets.

7. Information on Viaro Energy and Viaro

Viaro Energy is a UK registered company and is a wholly owned subsidiary of Viaro. The Wider Viaro Energy Group is majority owned by Francesco Mazzagatti.

Viaro is a physical energy trading group, with global commodities trading activities and interests in energy sector support services and upstream asset development. The Viaro Group entered the energy sector in 2012 and has grown rapidly over the last decade, with turnover in 2019 of US\$ 950 million and total assets in 2019 of US\$ 267 million. The Viaro Group trades commodities including gasoline, middle distillates, petrochemicals, naphtha, fuel oil and crude oil with many major global trading houses and counterparties.

As part of the next stage of the Viaro Energy Group's growth strategy, Viaro Energy has commenced a move into the upstream space as a first step towards creating an integrated upstream and physical trading group. Viaro Energy believes the Acquisition will help drive its ambitious growth plans in the UKCS as it seeks to build a material UKCS production base.

RockRose, contributing its staff, its producing assets and its world class procedures and commitment to health and safety and the environment will be the platform for this growth.

Viaro Energy has a highly experienced Board who will provide oversight and advice to Viaro Energy and RockRose's combined executive team as they complete the Acquisition and execute against Viaro Energy Group's UKCS growth strategy.

Viaro Energy has recently appointed Dr. Roger Tucker as non-executive chairman and Stephen Jenkins as non-executive director.

Viaro and Viaro Energy recognise that all companies, particularly those in the energy space, have a responsibility to minimise the environmental impact of their activities and to make a positive contribution to society. As such, Viaro and Viaro Energy support the principles of the UN Global Compact and support the delivery of all the UN's Sustainable Development Goals in its internal policies and trading practices.

It is Viaro Energy's intention that the Acquisition will not materially affect the headcount, employment terms, head office location or head office functions of the existing Viaro Energy Group.

8. **Information on RockRose**

RockRose is an independent oil and gas production and infrastructure company. Listed on the London Stock Exchange's Main Market for listed securities, it focuses on onshore and offshore production opportunities and infrastructure projects.

RockRose was founded in 2015 to identify onshore and offshore production opportunities and infrastructure projects. RockRose focused on building a low-cost exploration and production (E&P) business of scale and grew rapidly through a series of corporate acquisitions giving RockRose access to packages of non-operated assets, predominantly in the UK North Sea. Early acquisitions included the corporate acquisitions of Egerton Energy Ventures Limited, Sojitz Energy Project Limited and Idemitsu Petroleum UK Limited in 2017. The production and cash flow provided by these acquisitions created a solid platform for further expansion.

In May 2018, RockRose agreed to acquire the Dyas companies, giving access to a package of non-operated producing assets in the Netherlands from the SHV Nederland B.V. group for €107 million. On completion in October 2018, this transaction increased the RockRose Group's output to over 10,000 boepd. This was followed in early 2019 by an agreement to acquire Marathon Oil U.K. LLC from Marathon Oil Holdings UK Limited and Marathon Oil West of Shetlands Limited from Marathon International Oil Holdings LLC,

which completed in July of the same year and involved the addition of all of Marathon Oil Corporation's interests in the UK North Sea and increased RockRose's production to over 20,000 boepd and net 2P reserves to 63 MMboe. With the acquisition of Marathon Oil Holdings UK Limited, RockRose took on the role of operator for the first time and enhanced its ability to participate in pre-production appraisal and development projects.

9. **Intentions with regards to the business, employees and the RockRose Pension Schemes**

Viario Energy is entering into the Acquisition as a first step towards creating an integrated upstream and trading business. The ability to attract and retain the best industry professionals and upholding Viario Energy's commitment to social and environmental responsibility are essential components of this strategy.

9.1 Business of the RockRose Group

As this represents Viario Energy's first acquisition in the UK North Sea, Viario Energy's intention is to seek continuity through maintaining RockRose's existing business plan, which is to focus on increasing the decommissioning half-life of its assets and to look for opportunities to extend the life of key infrastructure, either through identifying additional development opportunities or third-party business, while maintaining operational delivery in a safe and responsible manner. Given the Wider Viario Energy Group's extensive knowledge in the commodities marketing and trading sectors, it expects to leverage its own expertise to complement executive management. Accordingly, it is Viario Energy's intention that executive management will be retained with the exception of the Executive Chairman, who will resign from this position on or around the Effective Date but be retained as a special advisor to the Viario Energy Board.

In line with market practice for a public offer process, Viario Energy completed a period of confirmatory due diligence on RockRose prior to this Announcement. Following completion of the Acquisition, Viario Energy intends to review RockRose's business and operations over a period of six months.

Prior to the completion of the acquisition of Marathon Oil U.K. LLC and Marathon Oil West of Shetlands Limited, notice of discharge was served on Marathon Oil U.K. LLC and notice given to appoint TAQA Bratani Limited, as operator. During the transition process (which will involve the transfer of approximately 281 current RockRose Group employees (as at 31 May 2020) to TAQA Bratani Limited as part of a transfer under the Transfer of Undertakings (Protection of Employment) Regulations 2006 (TUPE)), RockRose will continue to ensure there is no disruption to ongoing operations, and to ensure staff are fully supported throughout. It is expected that the handover of operatorship and the transfer of the impacted RockRose Group employees will take place in the fourth quarter of 2020. This has the consequence that RockRose will revert to being a company involved in the holding of a non-operated portfolio of oil and gas licence interests in the UKCS and Dutch Continental Shelf whilst retaining the status of approved operator with the OGA and the capacity to operate if required.

Whilst there is no strategic or financial consequence to RockRose of the transfer of operatorship, as no partner under a joint operating agreement can benefit from being operator, RockRose appreciates that the transfer does have the potential for a significant impact on the employees affected. Whilst the employment terms and conditions of the affected employees are fully protected by law, RockRose will continue to provide such additional, non-contractual, support and assistance to the affected staff as it is able.

9.2 Employees

Viario Energy attaches great importance to the skills, knowledge and expertise of RockRose management and employees and, save as subject to the transfer of employees described in paragraph 9.1, intends that there will be no material headcount reductions among existing employees including employees in head office functions as RockRose's employees are considered to be critical to the long term success of RockRose as part of the Viario Energy Group.

It is expected that both the Non-Executive Directors and the Executive Chairman of RockRose will resign as directors of RockRose and its subsidiaries with effect from completion of the Acquisition.

The Acquisition will affect participants in the Share Option Plan, further details of which are set out in paragraph 13 below.

Viario Energy will ensure that, following the Scheme becoming Effective, the existing contractual and statutory employment rights of all RockRose employees (including those being transferred to TAQA Bratani Limited after the Scheme becomes Effective) and participants in the Share Option Plan will be fully safeguarded in accordance with applicable law.

9.3 Pensions

Viario Energy confirms that, following the Scheme becoming Effective, the existing contractual and statutory rights in relation to the pensions of all RockRose management and employees (including those being transferred to TAQA Bratani Limited after the Scheme becomes Effective) will be fully safeguarded in accordance with applicable law. The accrued benefits for existing members of RockRose's defined benefit pension scheme will not be affected by the Acquisition. Viario Energy notes that according to the information made available to it, the pension scheme is closed to admission of new members and to future accrual, and as of 31 December 2019 the pension scheme is fully funded on an ongoing accounting basis. Viario Energy looks forward to engaging with the trustees of the defined benefit scheme in due course. Viario Energy confirms that there are no plans to change the current level of employer contributions under any of RockRose's defined contribution schemes.

9.4 Impact of the Acquisition on headquarters, locations, fixed assets and research and development

Following the Acquisition, Viaro Energy intends that RockRose will continue to operate as a standalone business group. Viaro Energy intends to undertake a review of head office locations with a view to combining head office functions within a single London-based office. Viaro Energy does not intend to materially change headcount associated with RockRose's head office functions in London, its operations in Aberdeen or other places of business, other than in relation to the arrangements for the transfer of operatorship to TAQA Bratani Limited.

No changes are envisaged by Viaro Energy with respect to the redeployment of RockRose's fixed asset base and licence interests. Many of the fixed assets currently utilised in the RockRose business are in fact joint assets of RockRose and its partners (who also hold interests in the underlying licence areas relating to each oil and gas asset) and are utilised by all of the parties under the terms of the joint operating agreements that are in place. The Acquisition will have no impact on these arrangements. RockRose has no research and development function and Viaro Energy has no intentions in this regard.

9.5 Trading facilities and re-registration

The RockRose Shares are currently listed on the Official List (by way of a Standard Listing under Chapter 14 of the Listing Rules) and admitted to trading on the London Stock Exchange's Main Market for listed securities. As set out in paragraph 14, prior to the Effective Date, applications will be made for the cancellation of the listing of RockRose Shares on the Official List and the cancellation of trading of the RockRose Shares on the London Stock Exchange's Main Market for listed securities. These cancellations are expected to take effect shortly after the Effective Date.

It is also proposed that, following the Effective Date and after the RockRose Shares are delisted, RockRose will be re-registered as a private limited company.

9.6 Capital structure

Shortly after the Scheme becoming Effective and the re-registration of RockRose as a private limited company, Viaro Energy may use part of the RockRose Group's unrestricted cash balances to partially settle the Consideration due to RockRose shareholders under the Scheme or to partially fund repayment of the Facility Agreement(s), in all cases leaving an appropriate and sustainable level of working capital in the RockRose Group. Any adjustments made to the capital structure of RockRose, if implemented, will not cause any changes to the operational structure of the business or any of the other matters outlined above.

No statements in this paragraph 9 are "post-offer undertakings" for the purposes of Rule 19.5 of the Code.

10. **Acquisition-related Arrangements**

Confidentiality Agreement

Viaro and RockRose entered into a confidentiality agreement dated 29 February 2020 (the "**Confidentiality Agreement**") pursuant to which each party agrees, among other things, to keep confidential information each other's confidential information and not to disclose such confidential information to third parties (other than with the written consent of the other party to named partners, advisors, potential financing sources and their respective representatives) unless, among other circumstances, required by law or regulation or at the request of applicable regulatory, governmental or supervisory organisations. The Confidentiality Agreement shall terminate on the earlier of the parties entering into an agreement relating to the Acquisition or three years from the date of the Confidentiality Agreement.

11. **Structure of and Conditions to the Acquisition**

It is intended that the Acquisition shall be effected by means of a Court-approved scheme of arrangement between RockRose and the Scheme Shareholders under Part 26 of the Companies Act.

The Acquisition is subject to the Conditions and further terms set out in Appendix I to this Announcement and to be set out in the Scheme Document and will only become Effective if, among other things, the following events occur on or before the Long Stop Date (or such later date as may be agreed in writing by Viaro Energy and RockRose (with the Panel's consent and as the Court may approve if such consent(s) or approval(s) are required)):

- (a) the Court Meeting and the General Meeting being held no later than the 22nd day after the expected date of such meetings to be set out in the Scheme Document in due course (or such later date as may be agreed by Viaro Energy and RockRose and the Court may allow);
- (b) the approval of the Scheme at the Court Meeting and approval of the RockRose Resolutions at the General Meeting by the requisite majorities of RockRose Shareholders;
- (c) the Scheme being sanctioned by the Court on or before the 22nd day after the expected date of the Court Hearing to be set out in the Scheme Document in due course (or such later date as may be agreed by Viaro Energy and RockRose and the Court may allow); and
- (d) the delivery of a copy of the Court Order to the Registrar of Companies and the Scheme becoming Effective by the Long Stop Date.

12. **The Scheme**

The Acquisition is to be implemented by means of a Court-sanctioned scheme of arrangement between RockRose and the Scheme Shareholders under Part 26 of the Companies Act. The procedure requires approval by RockRose Shareholders at the Court Meeting and at the General Meeting, and sanction of the Scheme by the Court. The Scheme will be set out in full in the Scheme Document.

The purpose of the Scheme is to provide for Viaro Energy to become the holder of the entire issued and to be issued ordinary share capital of RockRose. This is to be achieved by the transfer of the Scheme Shares to Viaro Energy, in consideration for which the Scheme Shareholders will receive the Consideration.

To become Effective, the Scheme requires, among other things, (i) the approval of a majority in number of the Scheme Shareholders (or the relevant class or classes thereof, if applicable) participating in and by the virtual meeting platform (and entitled to vote) in person or by proxy at the Court Meeting (which is convened by order of the Court), representing not less than 75 per cent. in value of the votes attached to the Scheme Shares cast by those Scheme Shareholders (or the relevant class or classes thereof, if applicable) and (ii) the passing at the General Meeting of the RockRose Resolutions by RockRose Shareholders representing at least 75 per cent. of the votes cast at the General Meeting (by the virtual meeting platform either in person or by proxy). The General Meeting is expected to be held immediately after the Court Meeting.

All RockRose Shareholders appearing on RockRose's register of members at the Scheme Voting Record Time will be entitled to vote at the RockRose Meetings.

Following the RockRose Meetings, the Scheme must be sanctioned by the Court. Finally, a copy of the Court Order must be delivered to the Registrar of Companies for registration, upon which the Scheme will become Effective.

The Scheme is also subject to the other Conditions and further terms set out in Appendix I to this Announcement and to the full terms and conditions that will be set out in the Scheme Document.

The Scheme Document will include full details of the Scheme, together with the notices convening the Court Meeting and the General Meeting. The Scheme Document will also contain the expected timetable for the Acquisition and will specify the necessary actions to be taken by RockRose Shareholders. Subject to restrictions in respect of Restricted Jurisdictions, the Scheme Document will be sent to RockRose Shareholders and, for information only, to persons with information rights and holders of options granted under the Share Option Plan, as soon as reasonably practicable, and in any event (save with the consent of the Panel), within 28 days of this Announcement.

The Scheme is expected to become Effective in August 2020, subject to the satisfaction or (where applicable) waiver of the Conditions. If the Scheme does not become Effective on

or before the Long Stop Date, it will lapse and the Acquisition will not proceed (unless RockRose and Viaro Energy otherwise agree and the Panel otherwise consents).

Upon the Scheme becoming Effective: (i) it will be binding on all RockRose Shareholders, irrespective of whether or not they participated in, or voted at, the Court Meeting or the General Meeting (and if they participated in and voted, whether or not they voted in favour); and (ii) share certificates in respect of RockRose Shares will cease to be valid and entitlements to RockRose Shares held in CREST will be cancelled. The Consideration payable under the Scheme will be despatched to Scheme Shareholders by or on behalf of Viaro Energy no later than 14 days after the Effective Date. Upon the Scheme becoming Effective, the Non-Executive Directors and the Executive Chairman will resign as directors of RockRose and its subsidiaries

The Scheme will be governed by English law and will be subject to the jurisdiction of the courts of England. The Scheme will be subject to the applicable requirements of the Code, the Panel, the rules of the London Stock Exchange, the Listing Rules and the UKLA.

13. **Share-Based Incentive Plans**

Participants in the Share Option Plan will be contacted separately regarding the effect of the Scheme and the Acquisition on their rights under the Share Option Plan and, in accordance with Rule 15 of the Code, Viaro Energy will make appropriate proposals to such participants in due course. Details of these proposals will be set out in the Scheme Document, and letters will be sent to the participants in the Share Option Plan. A letter and form of direction will also be sent to the participants in the Share Incentive Plans by the trustee of the relevant SIP trust.

The Scheme will apply to any RockRose Shares held on behalf of participants in the Share Incentive Plan. The Scheme will also apply to any RockRose Shares which are unconditionally allotted or issued to satisfy the exercise of options under the Share Option Plan before the Scheme Record Time. Any RockRose Shares allotted and issued to satisfy the exercise of options under the Share Option Plan after the Scheme Record Time will, subject to the Scheme becoming Effective and the proposed amendments to the Articles of Association being approved at the General Meeting, be immediately transferred to Viaro Energy in exchange for the same consideration per RockRose Share as RockRose Shareholders will be entitled to receive under the Scheme.

Further information in respect of the proposed amendments to the Articles of Association will be contained in the Scheme Document.

14. **Delisting of RockRose Shares and Re-Registration**

It is intended that, prior to the Scheme becoming Effective, RockRose will make an application for cancellation of the listing of RockRose Shares on the Official List and for the cancellation of trading of the RockRose Shares on the London Stock Exchange's Main Market for listed securities, in each case to take effect from or shortly after the Effective

Date. The last day of dealings in RockRose Shares on the London Stock Exchange's Main Market for listed securities is expected to be the Business Day immediately prior to the Effective Date and no transfer shall be registered after 6.00 p.m. that date. The Scheme Document will set out details of the expected last day of dealings in RockRose Shares on London Stock Exchange's Main Market for listed securities and the latest time for registration of transfers prior to the Effective Date.

On the Effective Date, share certificates in respect of RockRose Shares shall cease to be valid and entitlements to RockRose Shares held within the CREST system shall be cancelled.

It is also proposed that, following the Effective Date and after the RockRose Shares are delisted, RockRose will be re-registered as a private limited company.

15. RockRose Dividends

If any dividend and/or other form of capital return or distribution is authorised, declared, made or paid by RockRose in respect of RockRose Shares on or after the date of this Announcement and prior to the Effective Date, Viaro Energy reserves the right to reduce the Consideration payable in respect of each RockRose Share held by the gross amount of all or part of any such dividend and/or other form of capital return or distribution (and RockRose Shareholders shall be entitled to receive and retain that dividend or other distributions). If any such reduction takes place, any reference in this Announcement to the Consideration payable under the Scheme shall be deemed to be a reference to the Consideration as so reduced. Any reduction of the Consideration pursuant to this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme.

16. Irrevocable undertakings

Viaro Energy has received irrevocable undertakings from each of the RockRose Directors and the Senior Managers to vote (or to procure the voting) in favour of the Scheme at the Court Meeting and the RockRose Resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer) in respect of their entire beneficial holdings of 4,387,269 RockRose Shares, in total representing approximately 33.3 per cent. of the issued ordinary share capital of RockRose as at the Latest Practicable Date, and in respect of any RockRose Shares they may receive pursuant to the exercise of options before the Court Meeting and General Meeting.

In addition to the irrevocable undertakings given by the RockRose Directors and the Senior Managers referred to above, Viaro Energy has received irrevocable undertakings from five other RockRose Shareholders to vote (or to procure the voting) in favour of the Scheme at the Court Meeting and the RockRose Resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer) in respect of a total of 263,844 RockRose

Shares, representing, in aggregate, approximately 2.0 per cent. of the RockRose Shares in issue as at the Latest Practicable Date.

Therefore, as at the date of this Announcement, Viaro Energy has received irrevocable undertakings in respect of a total of 4,651,113 RockRose Shares representing approximately 35.3 per cent. of the RockRose Shares in issue as at the Latest Practicable Date.

Further details of the irrevocable undertakings obtained are set out in Appendix III to this Announcement and copies will be made available on the RockRose website at <https://www.rockroseenergy.com> and on Viaro Energy's website at <https://www.viaro.co.uk>

17. Disclosure of Interests in RockRose

Opening Position Disclosure

Hannam is a concert party to Viaro Energy as a connected adviser pursuant to the Code. Members and employees of Hannam hold the following interests in RockRose Shares, which in aggregate represent approximately 2.0 per cent. of the issued ordinary share capital of RockRose as at the Latest Practicable Date:

Individual	Number of RockRose Shares beneficially owned	% of RockRose issued ordinary share capital	Role
Giles Fitzpatrick	95,000	0.72	Partner
Rupert Fane	75,263	0.57	Partner
Ian Hannam	46,474	0.35	Founding Partner
James Ward	35,996	0.27	Former CFO
Andrew Chubb	11,111	0.08	Partner
Total	263,844	2.00	

Neither Viaro Energy nor any person acting in concert with Viaro Energy has any interest in relevant securities of RockRose, other than as disclosed above.

Interests

Save for the irrevocable undertakings referred to in paragraph 16 above and summarised at Appendix III to this Announcement and the interests disclosed above in this paragraph 17, as at the Latest Practicable Date, neither Viaro Energy, nor any of the Viaro Energy Directors, nor, so far as Viaro Energy is aware, any person acting in concert (within the meaning of the Code) with it has: (i) any interest in or right to subscribe for any relevant

securities (within the meaning of the Code) of RockRose; nor (ii) any short positions in respect of any relevant securities of RockRose (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery; nor (iii) borrowed or lent any relevant securities of RockRose (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the Code), nor is any such person party to any dealing arrangement of the kind referred to in Note 11 of the definition of "acting in concert" in the Code in relation to relevant securities of RockRose.

'Interests in securities' for these purposes arise, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In particular, a person will be treated as having an 'interest' by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to, securities.

18. **General**

Viaro Energy reserves the right to elect (with the consent of the Panel and RockRose) to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such event, the Takeover Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments to reflect the change in structure by which the Acquisition is to be implemented (including, an acceptance condition set at 90 per cent. of the RockRose Shares to which such Takeover Offer relates or such lesser percentage as Viaro Energy may decide subject to the Panel's consent) and compliance with all applicable laws, including US securities laws.

The Acquisition will be made on the terms and subject to the Conditions and further terms set out in Appendix I to this Announcement. The sources of information and bases of calculations contained in this Announcement are set out in Appendix II to this Announcement. A summary of the irrevocable undertakings obtained is contained in Appendix III to this Announcement. Certain terms used in this Announcement are defined in Appendix IV to this Announcement.

The Acquisition will be subject to English law and to the applicable requirements of the Code, the Panel, the rules of the London Stock Exchange, the Listing Rules and the UKLA.

Each of Lambert Energy and Hannam has given and not withdrawn its consent to the publication of this Announcement with the inclusion herein of the references to its name in the form and context in which it appears.

Further Information

This Announcement is provided for information purposes only. It is not intended to and does not constitute, or form part of, an offer, invitation or the solicitation of an offer or invitation to purchase, otherwise acquire, subscribe for, exchange, sell or otherwise dispose of any securities, or the

solicitation of any vote or approval in any jurisdiction, pursuant to the Acquisition or otherwise, nor will there be any sale, issuance, exchange or transfer of securities of RockRose pursuant to the Acquisition or otherwise in any jurisdiction in contravention of applicable law.

The Acquisition will be subject to English law and to the applicable requirements of the Code, the Panel, the rules of the London Stock Exchange, the Listing Rules and the UKLA.

The Acquisition will be implemented solely pursuant to the terms of the Scheme Document (or, in the event that the Acquisition is to be implemented by means of a Takeover Offer, the 'Offer Document'), which will contain the full terms and conditions of the Acquisition, including details of how to vote in respect of the Acquisition. Any decision in respect of the Scheme or other response in relation to the Acquisition by RockRose Shareholders should be made only on the basis of the information contained in the Scheme Document. RockRose Shareholders are advised to read the Scheme Document (including the related Forms of Proxy) carefully once these become available because they will contain important information in relation to the Acquisition.

Viaro Energy reserves the right to elect (with the consent of the Panel and RockRose) to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such event, the Takeover Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments to reflect, among other things, the change in structure by which the Acquisition is to be implemented and compliance with all applicable laws, including US securities laws.

Restricted Jurisdictions

The release, publication or distribution of this Announcement in, into or from jurisdictions other than the United Kingdom may be restricted by law and therefore any persons into whose possession this Announcement comes who are subject to the laws of any jurisdiction other than the United Kingdom should inform themselves about, and observe, any applicable requirements. In particular, the ability of persons who are not resident in the United Kingdom to vote their RockRose Shares with respect to the Scheme at the Court Meeting, to execute and deliver forms of proxy appointing another to vote at the Court Meeting on their behalf may be affected by the laws of the relevant jurisdiction in which they are located. Any failure to comply with such requirements or restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and other persons involved in the Acquisition disclaim any responsibility or liability for any violation of such restrictions by any person.

This Announcement has been prepared for the purpose of complying with English law, the Code, the Market Abuse Regulation and the Listing Rules and the information disclosed may not be the same as that which would have been disclosed if this Announcement had been prepared in accordance with the laws and regulations of jurisdictions outside England.

Unless otherwise determined by Viaro Energy and RockRose or required by the Code, and permitted by applicable law and regulation, the Acquisition will not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction. No person may vote in favour of the Acquisition by any use, means, instrumentality or

form, and the Acquisition will not be capable of acceptance, from or within a Restricted Jurisdiction, if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this Announcement and any formal documentation relating to the Acquisition are not being, and must not be, directly or indirectly, mailed, transmitted or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction, where to do so would violate the laws in that jurisdiction, and persons receiving this Announcement and all documents relating to the Acquisition (including custodians, nominees and trustees) must not mail, forward, transmit or otherwise distribute or send them in, into or from Restricted Jurisdictions, where to do so would violate the laws in that jurisdiction. If the Acquisition is implemented by way of a Takeover Offer (unless otherwise permitted by applicable law and regulation) the Takeover Offer may not be made directly or indirectly, in or into, or by the use of mails or any means or instrumentality (including but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of any Restricted Jurisdiction and the Takeover Offer may not be capable of acceptance by any such use, means, instrumentality or facilities.

Further details in relation to RockRose Shareholders who are resident in, ordinarily resident in, or citizens of, jurisdictions outside the United Kingdom will be contained in the Scheme Document.

Additional information for US investors

The Acquisition relates to the shares of a UK company and is being made by means of a scheme of arrangement provided for under the Companies Act. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. The Acquisition and the Scheme is subject to the disclosure requirements and practices applicable to UK schemes of arrangement, which differ from the disclosure requirements of US Exchange Act tender offer and proxy solicitation rules and the US Securities Act. If, in the future, Viaro Energy exercises the right to implement the Acquisition by way of a Takeover Offer (with the consent of the Panel and RockRose) and determines to extend the offer into the United States, the Acquisition will be made in compliance with applicable US federal laws and regulations, including any applicable exemptions under the US Exchange Act.

Financial information included in this Announcement and the Scheme Document has been or will have been prepared in accordance with accounting standards applicable in the UK that may not be comparable to the accounting standards applicable to the financial statements of US companies preparing financial statements in accordance with US GAAP.

The receipt of cash consideration by a US holder for the transfer of its RockRose Shares pursuant to the Scheme will likely be a taxable transaction for United States federal income tax purposes and under applicable United States state and local, as well as foreign and other tax laws. Each such RockRose Shareholder is urged to consult his independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to him, including under applicable United States state and local, as well as foreign and other tax laws.

No registration statement will be filed with the SEC or any US state securities commission in connection with the Acquisition. Neither the SEC nor any US state securities commission has

recommended, or approved or disapproved of, the Acquisition, or passed upon the adequacy or accuracy of this Announcement. Any representation to the contrary is a criminal offence in the U.S. It may be difficult or impossible for a US holder of RockRose Shares to enforce their rights and claims, if any, arising out of the US federal securities laws, since Viaro Energy and RockRose and some or all their officers and directors may be located in countries outside of the United States and a US holder of RockRose Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Furthermore, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

Cautionary Note Regarding Forward-Looking Statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Acquisition, and other information published by Viaro, Viaro Energy and/or RockRose (as relevant) may contain statements which are, or may be deemed to be, "forward-looking statements". All statements, other than statements of historical fact are, or may be deemed to be, forward-looking statements. Forward-looking statements are prospective in nature and may not be based on historical facts, but rather on current expectations and projections of the management of Viaro, Viaro Energy and (as relevant) RockRose about future events, and are therefore subject to risks and uncertainties which could cause actual results, performance or events to differ materially from those expressed or implied by the forward-looking statements.

The forward-looking statements contained in this Announcement include statements relating to the expected effects of the Acquisition on Viaro, Viaro Energy and RockRose (including their future prospects, developments and strategies), the expected timing and scope of the Acquisition and other statements other than historical facts. Forward-looking statements often use words such as "anticipate", "target", "expect", "estimate", "intend", "plan", "goal", "believe", "hope", "aims", "continue", "will", "may", "should", "would", "could", "shall", or other words of similar meaning (or the negative thereof). These statements are based on assumptions and assessments made by RockRose, and/or Viaro Energy, and/or Viaro, as relevant, in light of their experience and their perception of historical trends, current conditions, future developments and other factors they believe appropriate. By their nature, forward-looking statements involve risk and uncertainty, because they relate to events and depend on circumstances that will occur in the future and the factors described in the context of such forward-looking statements in this Announcement could cause actual results and developments to differ materially from those expressed in or implied by such forward-looking statements. No member of the Viaro Energy Group or the RockRose Group assumes or undertakes any obligation to update, revise or correct any of the information contained in this Announcement including without limitation any forward-looking statements (whether as a result of new information, future events or otherwise), except as required by applicable law.

There are several factors which could cause actual results to differ materially from those expressed or implied in forward-looking statements. No Profit Forecast, Estimate or Qualified Benefit Statements

No statement in this Announcement is intended as a profit forecast, profit estimate or quantified benefits statement for any period and no statement in this Announcement should be interpreted to mean that earnings or earnings per share for RockRose Shares for the current or future financial year would necessarily match or exceed the historical published earnings or earnings per share for RockRose.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. on the 10th Business Day following the commencement of the Offer Period and, if appropriate, by no later than 3.30 p.m. on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) of the Code applies must be made by no later than 3.30 p.m. on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities

exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3. Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosure must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4 of the Code).

in each case, before the date of the Court Meeting and the General Meeting.

6. The RockRose Shares to be acquired under the Acquisition will be acquired fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them, including, without limitation, voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid, or any other return of capital (whether by reduction of share capital or share premium account or otherwise) made, on or after the Effective Date (other than any dividend in respect of which a corresponding reduction in the Consideration payable in respect of each RockRose Share has been made as described in paragraph 7 below).
7. Without prejudice to any right Viaro Energy may have, with the consent of the Panel, to invoke Condition 3(e)(ii), if any dividend and/or other form of capital return or distribution is authorised, declared, made or paid or becomes payable in respect of RockRose Shares on or after the date of this Announcement and prior to the Effective Date, Viaro Energy reserves the right to reduce the Consideration payable in respect of each RockRose Share by an amount equivalent to the gross amount of all or any part of such dividend and/or other form of capital return or distribution, in which case any reference in this Announcement to the Consideration payable in respect of each RockRose Share under the Acquisition will be deemed to be a reference to the Consideration as so reduced, and RockRose Shareholders will be entitled to receive and retain the amount by reference to which the Consideration has been reduced. To the extent that any such dividend and/or capital return and/or distribution is declared, made, paid or payable and it is (i) transferred pursuant to the Acquisition on a basis which entitles Viaro Energy to receive and retain it; or (ii) cancelled in full prior to payment, the Consideration to be delivered by Viaro Energy under the terms of the Acquisition will not be subject to reduction in accordance with this paragraph 7. Any reduction in the Consideration payable in respect of each RockRose Share referred to in this paragraph 7 shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Acquisition.
8. Under Rule 13.5(a) of the Code, Viaro Energy may not invoke a Condition so as to cause the Acquisition not to proceed, to lapse or any offer to be withdrawn unless the circumstances which give rise to the right to invoke the Condition are of material significance to Viaro Energy in the context of the Acquisition. Condition 2 (and any Takeover Offer acceptance condition adopted on the basis specified in paragraphs 3 or 9 of this Part B) is not subject to this provision of the Code.
9. Viaro Energy reserves the right to elect (with the consent of the Panel and RockRose) to implement the acquisition of the RockRose Shares by way of a Takeover Offer as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on the same terms so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments, including, if the Panel so agrees, an acceptance condition set at 90 per cent. of the RockRose Shares to which such Takeover Offer relates or such lower percentage as Viaro Energy may decide, subject to the Panel's consent, provided that the acceptance condition will not be satisfied unless any member of the Wider Viaro Energy Group shall have acquired or agreed to acquire (whether pursuant to the Takeover Offer or otherwise), directly or indirectly, RockRose Shares carrying in aggregate more than 50 per cent. of the voting rights normally exercisable at a general meeting of RockRose (including for this purpose, except to the extent otherwise agreed by the Panel, any such

voting rights attaching to the RockRose Shares that are unconditionally allotted or issued before the Takeover Offer becomes or is declared unconditional as to acceptances whether pursuant to exercise of any outstanding subscription rights or conversion rights or otherwise).

10. The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions. Persons who are not resident in the United Kingdom should inform themselves about and observe any applicable requirements.
11. The Acquisition is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any Restricted Jurisdiction where to do so would violate the laws of that jurisdiction.
12. The Acquisition will be governed by English law and will be subject to the jurisdiction of the courts of England. The Scheme will be subject to the applicable requirements of the Code, the Panel, the rules of the London Stock Exchange, the Listing Rules and the UKLA.
13. Each of the Conditions will be regarded as a separate Condition and will not be limited by reference to any other Condition.

The Acquisition will be made on the terms and will be subject to the conditions which are set out in the Scheme Document and such further terms as may be required to comply with the Listing Rules, the London Stock Exchange and the provisions of the Takeover Code.
